Dear Joe,

I apologize for the tardiness in sending this letter of thanks for the great roof job you and your crew did for us last year at 33 Bridge Street in Bellows Falls, Vermont.

I have worked on many challenging roof projects over the years and found dealing with your firm a true pleasure.

I greatly appreciate how you responded quickly to our needs, providing us with a quality roof on time and reasonably priced.

I found your whole crew extremely knowledgeable, professional, fast, and all working with the highest level of roofing workmanship that was all proved out upon the completion inspection.

I cannot tell you how nice it has been to finally have a tight roof and not experience annoying little leaks here and there from ice damming at 33 Bridge Street this winter.

I will whole heartily recommend JAM Associates and look forward to using your firm for our future roofing needs.

Sincerely,

Stewart W. Read
Treasurer
